“ Mickle hill has a special place in my heart, assisting buyers to find their dream property in the most beautiful location. The team here are striving for the same goal, making retirement the best it can be, allowing our residents to thrive and live in a safe and friendly community. ”

HITTING THE *fairway*

We were delighted to sponsor the Pickering and District Rotary Club Charity Golf Tournament on 28th June. It was a fantastic day, with the funds raised supporting good causes in the Pickering and district locality.

GARDEN OPEN DAY

At Rangeford Villages, we put as much care and attention into our beautifully landscaped gardens as we do our stunning homes and facilities.

That's why we were more than happy to take part in the Pickering Open Gardens weekend back in June, where we welcomed the local community to come and explore our gorgeous gardens here at Mickle Hill. Visitors strolled around our stunning grounds filled with beautiful flowers and local wildlife. All proceeds went to support Pickering Community Infant and Nursery School and Pickering Junior School - an excellent, local cause.
